At the start of term 3, we introduced the Qkr app for use in both the school and the canteen. This is a secure alternate payment method run by the Commonwealth Bank and Mastercard. The app will enable you to pre order lunches through the canteen menu section, pay school fees, excursions, camps and any other items that your children would normally bring cash into the front office for. Of course, you are still welcome to send cash to school, however we are offering this as an alternative for people who struggle to find time to get into the office. For any enquiries, please contact Annette in the Front Office. You WILL need to know your child's room number. All teachers and room numbers are listed below.
